

Vintage Heliotrope Watercolour Card with Layered Die-Cut Flower

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT LIVE - 14 APRIL 2022

OVER DIT PROJECT

A beautiful vintage-style card featuring a hand-coloured heliotrope flower stamped with watercolour inks, layered with torn-edge die-cut elements, and finished with twine and embellishments. The soft, aged aesthetic is created by using grey ink over coloured layers and adding mixed media elements like corrugated card.

TIPS UIT DE SHOW

- Watercolour card is dense, so you may need to send it through the die-cutter twice.
- Use grey ink instead of black for a more vintage, aged appearance.
- Let the tools do the work for you—less pressure when stamping gives better results.
