

## Three-Envelope Accordion Album with Pockets

EEN PROJECT UIT ONZE LIVESHOW - STUDIO 3 - 10 APRIL 2022

### OVER DIT PROJECT

Transform three everyday envelopes into a sturdy accordion-style album with hidden pockets and decorative flaps. This project creates a beautiful gift album perfect for photos, postcards, or memorabilia, using simple folding and gluing techniques with no complex measuring required.

## STAP VOOR STAP

---

**1****STAP 1 VAN 12**

Carefully tear or open three envelopes along the side seams, separating the front and back panels without creating holes if possible.

**BEKIJK DEZE STAP - 11:30****2****STAP 2 VAN 12**

Trim away any excess paper from the opened envelopes to neaten the edges.

**BEKIJK DEZE STAP - 12:00****3****STAP 3 VAN 12**

Apply glue down the short side of the first envelope and line it up with the flap of the second envelope.

**BEKIJK DEZE STAP - 14:45****4****STAP 4 VAN 12**

Fold the first envelope over and press it down firmly to connect it to the second envelope.

**BEKIJK DEZE STAP - 15:00****5****STAP 5 VAN 12**

Repeat the gluing and folding process to attach the third envelope to create an accordion structure.

**BEKIJK DEZE STAP - 15:30****6****STAP 6 VAN 12**

Cut decorative paper pieces (approximately 5 by 7 inches or just under) to fit inside each envelope section.

**BEKIJK DEZE STAP - 17:00****7****STAP 7 VAN 12**

Glue the decorative paper pieces into each envelope section, positioning them close to the inner edges.

**BEKIJK DEZE STAP - 19:30**

**8****STAP 8 VAN 12**

Turn the album over and glue coordinating cardstock pieces to the back cover.

**BEKIJK DEZE STAP - 24:15****9****STAP 9 VAN 12**

Mark cutting lines on the back cover with a pen, then trim to size using a guillotine to create even edges.

**BEKIJK DEZE STAP - 29:30****10****STAP 10 VAN 12**

Create side pockets by gluing strips of paper down the sides and across the base of the front cover.

**BEKIJK DEZE STAP - 43:00****11****STAP 11 VAN 12**

Add decorative embellishments such as die cuts, images, or postcards to personalise the album covers and pockets.

**BEKIJK DEZE STAP - 45:30****12****STAP 12 VAN 12**

Optionally add a belly band or closure mechanism such as a hidden magnet or clasp to keep the album shut.

**BEKIJK DEZE STAP - 48:00****TIPS UIT DE SHOW**

- Do not throw away the off-cut triangles from your A4 paper pieces—these make excellent pockets, sliders, and belly bands.
- If you have a corner punch, round off the corners of your cardstock to match the envelope shape.
- You can use envelopes in different colours and patterns; black and craft-coloured envelopes look particularly good.
