

Oriental Wave Aperture Card with Floral Spray

EEN PROJECT UIT ONZE LIVESHOW - BRAND SHOWCASE - 8 APRIL 2022

OVER DIT PROJECT

A striking card featuring a wave die-cut as the focal point, layered with hand-coloured shibori papers in deep blues and teals. The design uses paper piecing to create depth and includes a delicate floral spray stamped around the circle, creating an elegant oriental-themed card.

Spray a piece of blank white card stock with rusty saffron and gold distress spray, then allow it to settle before cutting out small coloured elements for the moon.

Glue the darker blue circle on top of the lighter blue circle to create the layered wave background.

Add the hand-coloured moon element to the top of the wave design using glue.

Use the solid base circle die as a guide and stamp the floral spray around the edges using medieval blue versafine ink, allowing elements to extend off the card edge.

TIPS UIT DE SHOW

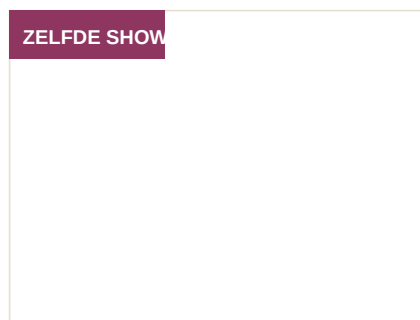

- You don't need to get the whole die perfectly into the cardstock - cut out just the element you want to save card.
- Designs on a curve always give a fantastic look and help the eye flow naturally around the card.
- Having some elements go off the edge of the card makes the design look more natural.
