

Make a Splash Whale Lamination Card with White Base Layer

EEN PROJECT UIT ONZE LIVESHOW - ONE DAY SPECIAL - 17 OKTOBER 2025

OVER DIT PROJECT

Create a stunning ocean-themed card featuring a majestic blue whale leaping through stylised waves. This project uses the Make a Splash lamination stamp set on kraft card stock, with a white base layer stamped first to make the vibrant blue and grey inks stand out beautifully. The finished design includes delicate white splatter details that add movement and sparkle to this eye-catching maritime scene.

TIPS UIT DE SHOW

- Stamping in white first on coloured card stock creates a bright, vibrant base that makes subsequent colours stand out dramatically.
- You can paint with your white ink pad by adding water to create a wash effect.
- This technique works especially well on black card stock, where the white base and blue whale will create striking contrast.
