Watercolour Resist Card with Black Outline and Glazed Wash

EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 30 MAART 2022

OVER DIT PROJECT

Create a stunning tone-on-tone abstracted card using heat-embossed silver detail, watercolour washes, and layered black ink outlines. The technique uses water to create soft, flowing colour gradients that blend beautifully around an embossed floral stamp design.

TIPS UIT DE SHOW

- Use watercolour card so you can keep moving the colour around and blending it.
- The embossed silver acts as a resist, so if colour gets on it, just dab it away with a tissue.
- Don't overthink the process—see your card through to the very end before deciding if you like it, as watercolour cards often look rough at first.
