BEKIJK DEZE STAP - 6:30**4****STAP 4 VAN 12**

Flip the stencil to the other side of the card and spray with orange ink to create an abstract pattern.

TIPS UIT DE SHOW

- You can cut all the footprint die-cuts ahead of time and keep them to one side, then colour-coordinate your card to the colour scheme you want to make that day.
- The stencil created from die-cutting can be reused multiple times as the ink dries out, making it a sustainable crafting technique.
- Using a heat gun with the sprayed panels makes them curl up slightly, adding extra texture to the card.
