Gnome Wedding Card with Layered MDF and Markers

EEN PROJECT UIT ONZE LIVESHOW - BRAND SHOWCASE IN THE HTCN STUDIOS - 25 FEBRUARI 2022

OVER DIT PROJECT

A whimsical wedding card featuring bride and groom gnome MDF pieces decorated with glitter markers and layered onto a card base with maps and sentiment. This project showcases how to combine different craft mediums—wood, card, and markers—to create a charming mixed-media design.

TIPS UIT DE SHOW

• Take your time when decorating MDF pieces—the studio demonstration was quick, but you can be more careful at home.
• Mixed media simply means combining different craft elements together, such as wood, card, and markers.
• If you are new to mixed media, this project is an excellent starting point using materials you may already have in your craft stash.
