

## Invisible Ink Painted Floral Card with Sentiment

EEN PROJECT UIT ONZE LIVESHOW - JOIN TONI FOR HER PRODUCT PREVIEW - 21 FEBRUARI 2022

**PRODUCT  
PREVIEW 2**

### OVER DIT PROJECT

Paint over invisible sepia-toned guides on special paper to create beautiful floral designs that look professionally painted. The guide underneath disappears as you add colour, giving you instant artist results with no cheating visible.

## STAP VOOR STAP

---

**1****STAP 1 VAN 12**

Gather your invisible ink paper pad and locate the sepia-toned guide printed on the back of the paper.

[BEKIJK DEZE STAP - 14:00](#)**2****STAP 2 VAN 12**

Position the paper with the guide visible, offsetting it slightly so you can see the design clearly as you work.

[BEKIJK DEZE STAP - 14:15](#)**3****STAP 3 VAN 12**

Pour dye-based coloured ink pads onto a palette or use watercolour paints from your collection.

[BEKIJK DEZE STAP - 14:30](#)**4****STAP 4 VAN 12**

Pick up water with your brush and blend it with the pale pink ink to create a workable paint consistency.

[BEKIJK DEZE STAP - 15:00](#)**5****STAP 5 VAN 12**

Follow the sepia guide underneath and paint the first flower head with the pink colour, working around the shape.

[BEKIJK DEZE STAP - 15:15](#)**6****STAP 6 VAN 12**

Paint additional flower heads with the same pink colour, following the guide to maintain perspective and shading.

[BEKIJK DEZE STAP - 15:30](#)**7****STAP 7 VAN 12**

Switch to a teal or green colour and paint the leaves, applying full overlay coverage to create light and shade effects.

[BEKIJK DEZE STAP - 17:15](#)

**8****STAP 8 VAN 12**

Allow the painted design to dry completely, then cut the paper down the centre if there are two corner designs on one sheet.

[BEKIJK DEZE STAP - 18:30](#)**9****STAP 9 VAN 12**

Mat your painted design onto white cardstock to frame the artwork.

[BEKIJK DEZE STAP - 19:00](#)**10****STAP 10 VAN 12**

Stamp a sentiment from the collection onto the card using black ink, positioning it through or below the artwork.

[BEKIJK DEZE STAP - 20:30](#)**11****STAP 11 VAN 12**

Adhere the matted design to a coloured slimline card blank using foam dots or glue for dimension.

[BEKIJK DEZE STAP - 21:45](#)**12****STAP 12 VAN 12**

Optional: add gems or sparkles to embellish the card further if desired.

[BEKIJK DEZE STAP - 22:45](#)**TIPS UIT DE SHOW**

- You don't have to be perfect or precise with your painting; you can be abstract and add splats creatively.
- Once you've painted one design, you'll gain confidence to experiment with your own colour choices rather than following the guide colours.
- If you're making cards for a specific event like a wedding, you can match the painted colours to the event's colour scheme.
