OVER DIT PROJECT

Create a striking card featuring a sketched design of feet and legs stamped in smoky grey, with a positive sentiment stamped in black. Colour selectively with red alcohol markers for the shoes and blue for the trousers, leaving white spaces for a clean, simple aesthetic that really stands out.

TIPS UIT DE SHOW

- Colour selectively rather than the entire design to keep the card clean and simple with a lighter appearance.
- Leave white spaces in the design to create the illusion of light.
- Change the colours used to create many different looking cards that stand out in a crowd.
