

Watercolour Lamination Stamp Card with Sentiment Banner

EEN PROJECT UIT ONZE LIVESHOW - STAMPING TECHNIQUES - 22 DECEMBER 2021

OVER DIT PROJECT

Create a stunning watercolour-effect card using a two-part lamination stamp system. The design features a sketched floral element stamped in multiple colours that blend together when sprayed with water, creating a realistic artistic finish with a sentiment banner accent.

TIPS UIT DE SHOW

- You can start with either the outline or solid portion of the stamp – you will get results either way.
- The imperfect alignment of the two stamp portions creates the true artistic feel of the card.
- If you prefer a flat card, you can skip the foam pad dimension step entirely.
