STAP VOOR STAP

1

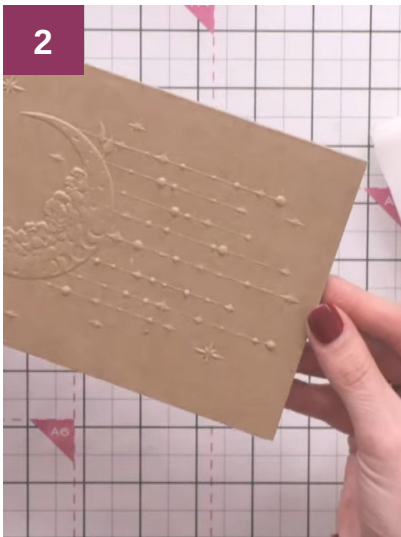

STAP 1 VAN 12

Place the craft-coloured card stock into the Whispering Wings embossing folder. Run the folder through your die-cutting machine to emboss the moon and draping stars design onto the card.

2

STAP 2 VAN 12

Apply white pigment ink over the embossed details on the kraft card using a dabbing motion to highlight the texture. Work the ink gently across the raised embossed design to make the fairy and stars stand out.

3

STAP 3 VAN 12

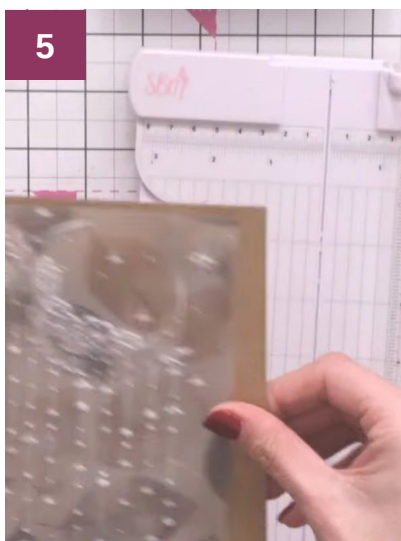

Use a brush or your finger to blend away any excess white ink from the embossed design, creating a clean and smooth finish on the kraft card background.

STAP 4 VAN 12

Place the preprinted vellum featuring the three fairies from the Whispering Wings paper pack into the coordinating embossing folder. Run it through your die-cutting machine to create an embossed vellum layer.

[BEKIJK DEZE STAP - 30:15](#)

STAP 5 VAN 12

Trim the embossed vellum to fit your card base, removing any excess material. Be careful not to cut away too much of the embossed design.

[BEKIJK DEZE STAP - 32:15](#)

STAP 6 VAN 12

Adhere the embossed vellum to the back of your kraft card base using glue only in areas where it will be hidden by other elements, such as where the fairy toppers will be positioned.

STAP 7 VAN 12

Carefully fussy cut one of the fairy figures from the Whispering Wings paper pad, cutting closely around the wings and body to remove the image from its decorative frame.

8

STAP 8 VAN 12

Select a coordinating sentiment from the paper pack and fussy cut it with scissors, leaving the cream border detail around the edges.

[BEKIJK DEZE STAP - 33:45](#)

9

STAP 9 VAN 12

Adhere the sentiment strip reading 'THE BEST IS YET TO COME' to the centre top of the card, positioning it over the embossed vellum panel with the fairy image.

[BEKIJK DEZE STAP - 44:45](#)

10

STAP 10 VAN 12

Apply gold glitter glue sparingly to the fairy wings. Allow to dry completely.

[BEKIJK DEZE STAP - 45:30](#)

11

STAP 11 VAN 12

Adhere the fairy figure flat to the card underneath the glitter-embellished wing, positioning it so the wings pop up off the card for dimension.

12

STAP 12 VAN 12

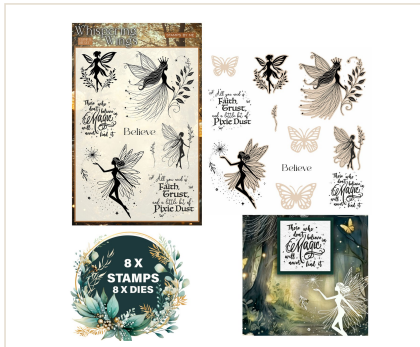

Add small sparkle embellishments around the fairy image and along the embossed details using a pick-up tool. Position them to enhance the magical effect and complete your card.

TIPS UIT DE SHOW

- Use glue only in areas that will be hidden by other elements to avoid visible adhesive on vellum.
- Allow glitter glue to dry completely before handling to prevent smudging.
- You get multiple copies of each fairy design in the paper pad, so don't be afraid to cut into them.
