

Wraparound Exploding Mini Book with Wallet Pages

EEN PROJECT UIT ONZE LIVESHOW - CREATE TOGETHER CLUB - 25 SEPTEMBER 2025

HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming wraparound exploding mini book featuring wallet-style pages perfect for holding photos, gift cards, or heartfelt messages. This interactive keepsake uses vintage-inspired imagery in muted tones of grey, sepia, and cream, and employs folding, layering, and decorative closure techniques. The book folds flat for gifting but opens out to reveal multiple pages in an impressive display.

STAP VOOR STAP

STAP 1 VAN 10

Cut multiple wallet die shapes from your patterned paper. Ensure you cut on the white side so the pattern shows on the inside of each page. You can use whatever colours you want to.

STAP 2 VAN 10

Fold each of the two wallet pieces in half to create individual pages. You can either fold them or score them down the centre for a crisp fold.

STAP 3 VAN 10

Apply glue to one of the folded card pieces and adhere it to another folded piece, stacking them back to back. Continue gluing the remaining folded pieces together to create the multi-page structure.

TIPS UIT DE SHOW

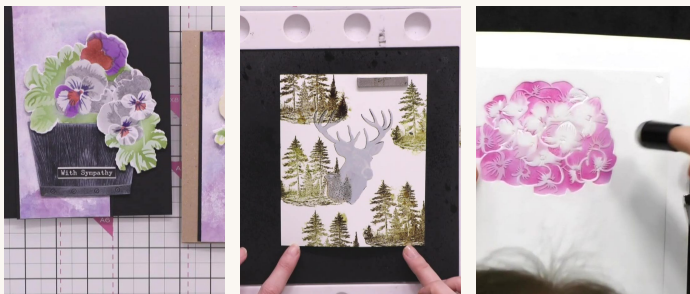

- Leave a little hump of glue in the middle when adhering panels so the clasp can fit underneath without buckling.
- Leave yourself grace with the wrap if you're putting items inside—don't glue too tightly or it will look bulky and push apart.
- You can use double-sided paper to avoid needing to glue two closure pieces together.
