

Kaart met heat-embossed broche en woord

EEN PROJECT UIT ONZE LIVESHOW - ONE DAY SPECIAL - 18 SEPTEMBER 2025

OVER DIT PROJECT

Create an elegant layered card featuring a heat-embossed decorative brooch positioned within a word die-cut. The brooch is embossed with glittering powder in a contrasting colour, then the word is layered with a drop shadow effect for added dimension and visual interest. This technique combines die-cutting, heat embossing and layering to produce a sophisticated handmade card.

TIPS UIT DE SHOW

- You can cut away the brooch design from the die-cut and layer it separately to create more dimension.
- The brooches fit seamlessly within the O's of all the word die-cuts and can be interchanged throughout the year.
