Watercolour Boat with Moon Lamination Card

EEN PROJECT UIT ONZE LIVESHOW - THE FRIDAY FINAL CUT - 6 NOVEMBER 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Make a serene watercolour card featuring a fishing boat beneath a moonlit sky, combining lamination stamps with hand-painted effects. Using layered ink blending in blues, greys and sandy tones, you'll create an atmospheric nautical scene with beautiful depth. This moody design is perfect for masculine cards or anyone who loves coastal themes.

TIPS UIT DE SHOW

- If your watercolour becomes too dark, apply white paint on top and pull it back to lighten the area.
- Make sure the base layer is completely dry before adding darker ink on top so the colour doesn't blend into the background.
- Have the courage to pick up a brush and extend the stamped design yourself—it's just card and won't bite.
