

Teapot Lamination Card with Watercolour Effect

EEN PROJECT UIT ONZE LIVESHOW - PRODUCT DEMONSTATION - 29 AUGUSTUS 2025

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning card featuring a blue and white teapot stamp with a hand-painted watercolour appearance using lamination techniques. The elegant design is mounted on a dark grey mat and white card base, with the sentiment 'A cup of tea shared with a friend is happiness brewed to perfection' beneath the teapot. Multi-layered stamping creates fine china detail with soft colour blending and delicate shading for a sophisticated finish.

TIPS UIT DE SHOW

- Watercolour card allows the ink to sit on the surface longer, giving you time to move colour around and create better blending than standard card stock.
- Spray the stamp multiple times with water; if it becomes too flooded, spray again with fewer spritzes to control the moisture.
- Use the packet as a visual guide to align your detail stamp perfectly over the solid base stamp.
