

Embossed rozenkaart met wax-accnten

EEN PROJECT UIT ONZE LIVESHOW - ONE DAY SPECIAL - 25 JULI 2025

OVER DIT PROJECT

Create an elegant card featuring a beautifully embossed rose design surrounded by sentiment words on soft pink cardstock. The raised rose and leaves are highlighted with metallic gilding wax in pink and turquoise tones, adding luxurious dimension and shimmer. This project combines embossing and wax application techniques to produce a sophisticated, textured greeting card.

TIPS UIT DE SHOW

- Gilding waxes dry almost instantly, so work quickly.
- You can use the embossing folder on its own without stamping if you prefer a simpler design.
- The versatility of these embossing folders means you can team them up with different card stocks, metallics, and techniques to make each card unique.
