

Embossed fee op designpapier met witte inkt

EEN PROJECT UIT ONZE LIVESHOW - HSN PRODUCT INSPIRATION - 25 AUGUSTUS 2026

OVER DIT PROJECT

Create an enchanting fairy card featuring an embossed fairy design layered onto atmospheric patterned paper. The mystical forest background with its glowing lights and ethereal tones provides the perfect setting for the delicate fairy figure, which is enhanced with white ink highlights. This technique combines heat embossing with selective inking to create depth and bring the magical scene to life.
