

Moonlit Skies Sunset and Moon Card

EEN PROJECT UIT ONZE LIVESHOW - ONE DAY SPECIAL - 27 JUNI 2025

OVER DIT PROJECT

Create a stunning moonlit scene card featuring three silhouetted birds perched on a branch against a glowing golden moon. The background showcases a beautiful watercolour-style sunset in soft blues, peaches and pinks, achieved through ink blending techniques. This dimensional card combines die-cut elements with hand-painted details to create an atmospheric twilight scene.

TIPS UIT DE SHOW

- You can use pattern papers from the Woodland Wildlife collection as backgrounds instead of creating your own inked scene.
- The detailed outline die from the Set the Scene collection can frame your artwork to create a finished piece of art.
- The tree die cuts proud, so you can layer it on top of your scene for added dimension.
