

Vintage Serendipity Mosaic Card with Layered Panels

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 7 APRIL 2025

OVER DIT PROJECT

Create a sophisticated vintage-inspired card featuring the Serendipity mosaic stamp combined with beautiful floral pattern papers. This elegant design showcases layered panels in teal, burgundy and gold tones, with the large decorative stamp cut into sections and arranged in a modern, artistic layout. The finished card includes dimensional elements and a sentiment label for a graceful, gallery-style effect.

TIPS UIT DE SHOW

- You don't have to use all the pieces like a jigsaw – be creative and arrange them as you wish.
- Don't be afraid to use off-cuts from other projects on your cards.
- The pattern papers are designed to work beautifully on their own without additional embellishment.
