

Stencilled Hydrangea Card with Glitter Paste Highlights

EEN PROJECT UIT ONZE LIVESHOW - IDEAL WORLD - 2 APRIL 2025

OVER DIT PROJECT

Create a stunning hydrangea card featuring layered stencil work with sparkling glitter paste highlights. This elegant floral design combines soft watercolour-style blooms in coral-pink and purple tones with green foliage, finished with iridescent shimmer accents. The technique uses multiple stencil layers to build depth and dimension, culminating in a luxurious glitter paste detail that adds a touch of glamour to your handmade card.

TIPS UIT DE SHOW

- Leave five to six minutes between each glitter paste layer to allow proper drying before applying the next stencil.
- If you clean the stencil between layers, you can use iridescent paste on the final layer for a clear sparkle effect.
