

Watercoloured Daffodil Shaped Card with Layered Stencils

EEN PROJECT UIT ONZE LIVESHOW - ONE DAY SPECIAL - 21 MAART 2025

OVER DIT PROJECT

Create a beautiful shaped daffodil card using layered stencils and watercolour techniques. This artistic card features soft blended colours in pink, purple and teal with a semi-transparent, hand-painted effect. The design showcases the elegant daffodil motif with delicate colour transitions and dimensional layering.

Uit de show: One Day Special

Getoond: 21 maart 2025

Het project begint: 22:30 na het begin van de show

In deze handleiding: 12 stappen

STAP VOOR STAP

1

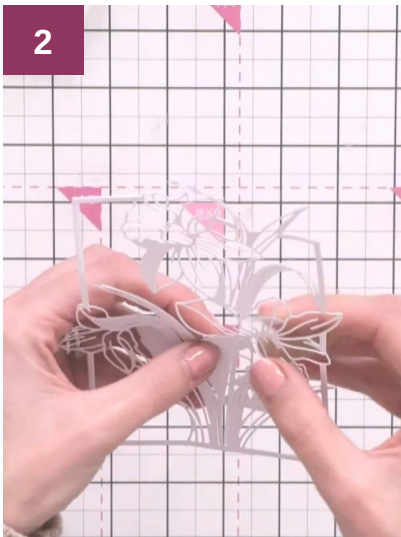

STAP 1 VAN 12

Cut the detailed daffodil die from white cardstock using a die-cutting machine, placing a shim underneath for better cutting.

[BEKIJK DEZE STAP - 24:00](#)

2

STAP 2 VAN 12

Carefully pop out all the cut pieces from the die-cut sheet using a craft tool or your fingers. Take care with delicate areas such as the flower petals and stems to avoid tearing.

[BEKIJK DEZE STAP - 26:00](#)

3

STAP 3 VAN 12

Using a brush and light pink ink, tap colour onto the outer petals of the white daffodil piece, focusing on the edges to add subtle shading.

[BEKIJK DEZE STAP - 28:00](#)

STAP 4 VAN 12

Using a darker purple ink pad, tap colour into the centre of each flower petal on the embossed design to add depth and shading. Work gently to build up the colour gradually.

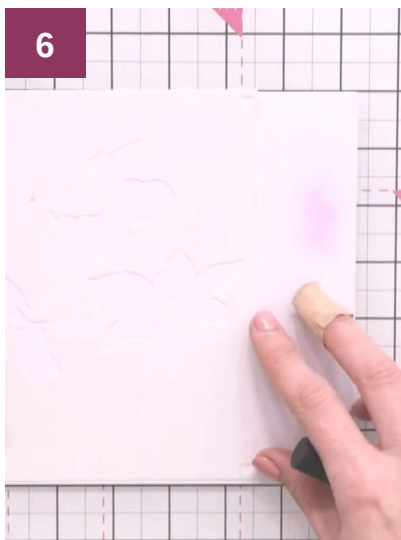

[BEKIJK DEZE STAP - 32:00](#)

STAP 5 VAN 12

Apply teal ink to the leaves and stem of your daffodil design. Create darker tones at the tips and lighter tones towards the centre for a gradient effect.

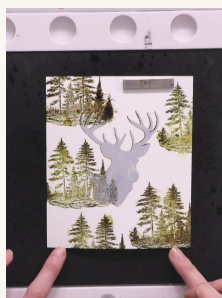

[BEKIJK DEZE STAP - 36:00](#)

STAP 6 VAN 12

Position stencil number one over the white card piece. Using a blending brush, apply light pink ink through the stencil with gentle tapping motions to create a soft watercolour effect.

7

STAP 7 VAN 12

Position stencil number two over the same area on your card.

Apply slightly darker pink ink using the blending tool to add more detail and definition to the daffodil design.

[BEKIJK DEZE STAP - 41:00](#)

8

STAP 8 VAN 12

Position stencil number three over the flower centre. Apply a darker shade of pink ink through the stencil to build up depth and dimension in the layered design.

[BEKIJK DEZE STAP - 42:00](#)

9

STAP 9 VAN 12

Lightly spray the layered stencil work with water to create a soft watercolour bleed effect between the yellow and gold colours on the daffodils.

[BEKIJK DEZE STAP - 44:30](#)

10

STAP 10 VAN 12

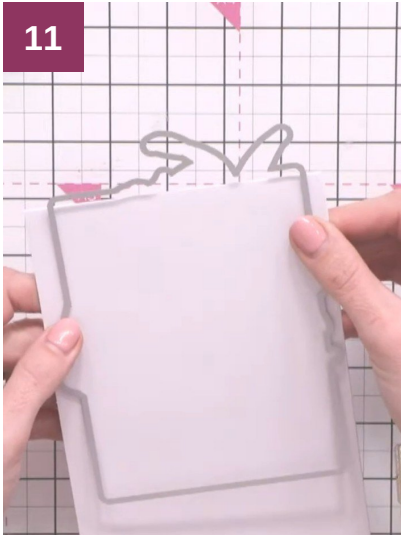

Cut the daffodil outline die from white cardstock to create the shaped card template. Run it through the die-cutting machine without a shim to achieve a clean cut.

[BEKIJK DEZE STAP - 50:30](#)

11

STAP 11 VAN 12

Position the outline die across the top hinge of a folded white notecard so it cuts the shaped edge but leaves the fold intact to create a shaped card base.

[BEKIJK DEZE STAP - 52:00](#)

12

STAP 12 VAN 12

Attach the coloured daffodil piece to the shaped card base using tape or glue to complete your card.

[BEKIJK DEZE STAP - 53:30](#)

TIPS UIT DE SHOW

- Use a shim (extra cardstock) underneath when cutting detailed dies to ensure they cut properly.
- Between each stencil layer, spray lightly with water and allow to dry to create a beautiful artistic watercolour effect.
- You can use the stencils and dies individually, or combine them for a more detailed, layered look.
