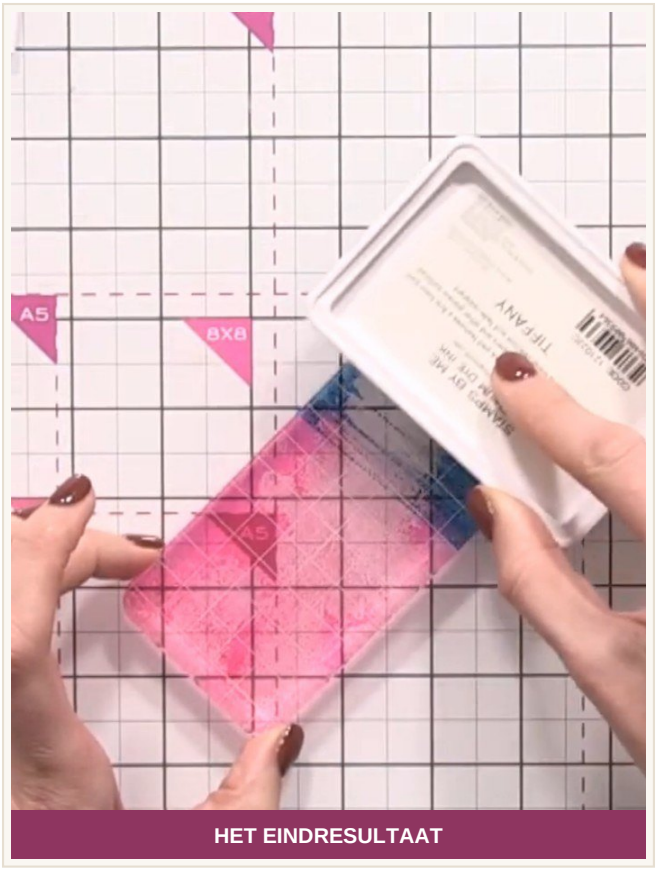
Kaart met inkt-achtergrond via een acrylblok

EEN PROJECT UIT ONZE LIVESHOW - MIGHTY MONDAY - 24 FEBRUARI 2025



HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning greeting card featuring a soft watercolour-style background in vibrant blue, purple and pink tones. Using an acrylic block as your blending tool, you'll achieve a beautiful gradient effect with natural colour transitions. The technique involves layering ink colours with water spray to create an artistic, contemporary background perfect for any occasion.
