

## Eenvoudige kerstkaart met vogel-topper

EEN PROJECT UIT ONZE LIVESHOW - HSN PRODUCT INSPIRATION - 18 AUGUSTUS 2026

### OVER DIT PROJECT

Create a clean and simple Christmas card featuring a beautiful pre-printed bird image mounted on kraft card. The design showcases a blue and cream bird perched among delicate branches and autumn florals, perfect for a vintage-inspired festive greeting. This project uses ready-made mounts for quick and elegant card-making with minimal layering.

## STAP VOOR STAP

### STAP 1 VAN 8

**Select a 5x7 inch white card blank as your base.** Position the card with the fold at the top, ready to work on.

2

## STAP 2 VAN 8

**Select one of the pre-printed Holly and Berry mounts featuring a bird design. Place it alongside your kraft card base.**

3

## STAP 3 VAN 8

**Edge the kraft card mount with black ink by tilting the ink pad and tapping it along all four edges. This will create a defined border that makes the mount stand out when attached to the card base.**

4

## STAP 4 VAN 8

**Position the mounted bird image in the centre of your card blank. Adhere it in place using an ink pad or adhesive of your choice.**

5

## STAP 5 VAN 8

**Apply wet glue underneath the mounted bird topper to secure it firmly to the card base.** Press down gently to ensure all layers are properly adhered.

6

## STAP 6 VAN 8

**Arrange the white foliage pieces around the mounted bird panel to frame the focal point.** Once you're happy with the placement, glue the foliage in position using craft glue.

7

## STAP 7 VAN 8

**If desired, add small red gems or sequins to the foliage or bird for extra sparkle.** Position them carefully to enhance the design without overwhelming the image.

8

## STAP 8 VAN 8

**Allow the glue to dry completely before displaying your finished mounted bird Christmas card.** The card features a blue and cream bird perched on branches with autumn foliage, mounted on a kraft card base.

## TIPS UIT DE SHOW

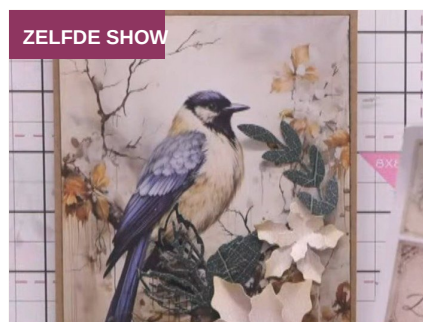

- You don't have to use lots of layers and matts; a single black edge can make the image stand proud without additional weight.
- The green foliage is snippable, so you can cut individual leaves shorter or use just one leaf as an accent if preferred.
