

Block Painted Stamped Card with Escape the Ordinary

EEN PROJECT UIT ONZE LIVESHOW - MIGHTY MONDAY - 17 FEBRUARI 2025

OVER DIT PROJECT

Create a striking stamped card featuring a detailed cityscape scene coloured with a bold block painting technique. Using vibrant pinks, purples, yellows and oranges, you'll paint distinct areas of colour rather than traditional blending to achieve an artistic, poster-like effect. The black stamped outlines combined with blocks of watercolour create a modern, eye-catching design with dramatic white highlights.

STAP VOOR STAP

1

STAP 1 VAN 9

Gather your materials: watercolour card, black ink pad, multiple coloured ink pads (such as the Escape the Ordinary and Just Passing By stamp sets), a brush, water, and tissue.

2

STAP 2 VAN 9

Stamp your chosen large-scale stamp design onto the textured side of the watercolour card using a black waterproof ink pad. Press firmly to ensure crisp, detailed impressions.

3

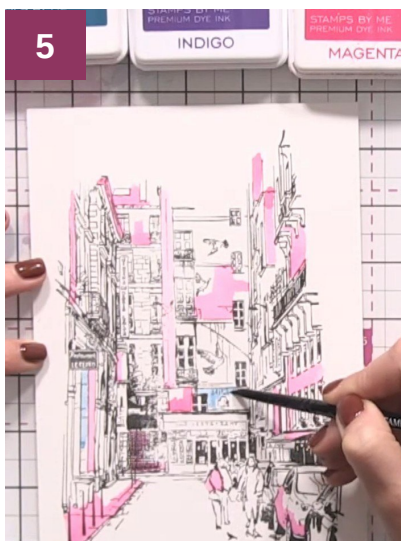

STAP 3 VAN 9

Select your first colour ink pad and brush water onto it to activate the colour. Paint blocks of colour into different areas of the stamped design, filling only parts of each section rather than the whole area.

**STAP 4 VAN 9**

Switch to a second colour, such as pink or magenta, and paint more blocks in different areas of the stamped image. Add colour to parts of buildings, clothing, or paths, keeping the brush strokes directional and artistic.

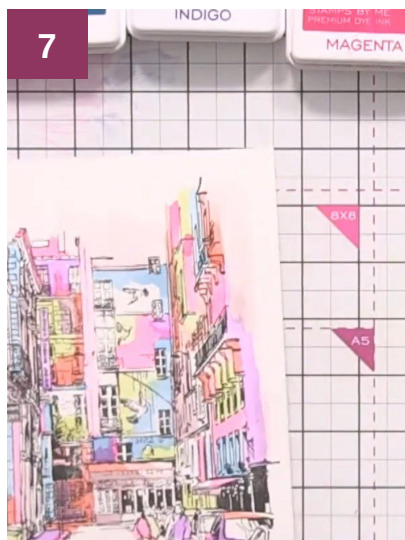

[BEKIJK DEZE STAP - 25:30](#)**STAP 5 VAN 9**

Continue adding blocks of colour using different ink pads, changing colours frequently. Paint only portions of each section rather than filling it completely, creating a varied, artistic effect across the cityscape.

[BEKIJK DEZE STAP - 27:45](#)**STAP 6 VAN 9**

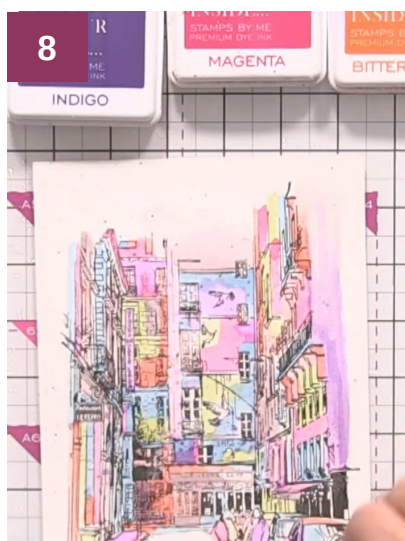

Continue adding colour blocks to the stamped image, placing distinct areas of pink, blue and other colours. Keep the colours separate rather than blending them together to create an artistic block-painted effect.

[BEKIJK DEZE STAP - 32:00](#)

**STAP 7 VAN 9**

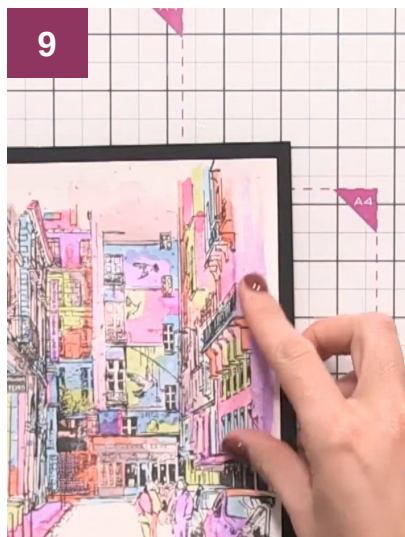

Add random colour splashes and speckles by flicking water and colour onto the stamped design for extra texture and visual interest.

[BEKIJK DEZE STAP - 39:00](#)

**STAP 8 VAN 9**

Sprinkle water across the painted cityscape design and allow it to sit briefly. Gently mop up the excess water with tissue to create white highlights and soften some of the coloured edges.

[BEKIJK DEZE STAP - 43:15](#)

**STAP 9 VAN 9**

Allow the painted image to dry completely. Once dry, trim the artwork to your desired size and mount it onto a black card base to create a finished framed effect.

TIPS UIT DE SHOW

- This technique is great for mindfulness and creates an artistic, poster-like look rather than a traditional watercolour blend.
- You don't need to colour the entire section in one colour—paint only parts of each area to maintain the blocky effect.
- Be mindful when placing colours next to each other; avoid putting colours that mix to muddy tones (like orange and green) directly adjacent if possible.
