STAP 4 VAN 16

Place your teal card panel with the die-cut floral design on top into the pink die-cutting machine. Run the layered card and dies through the machine to cut out the shapes.

[BEKIJK DEZE STAP - 22:45](#)

STAP 5 VAN 16

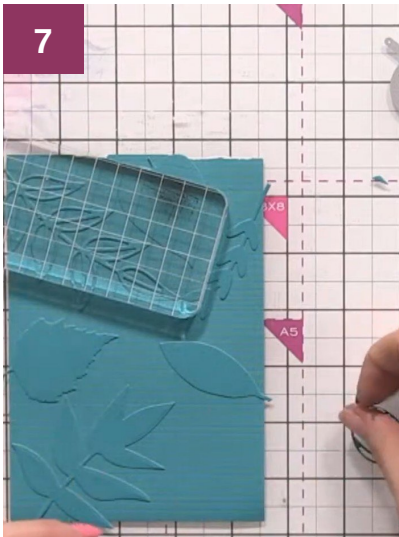

Remove the dies from the black card and carefully extract all the cut leaf pieces. Set the cut-out leaves aside for later use.

[BEKIJK DEZE STAP - 23:45](#)

STAP 6 VAN 16

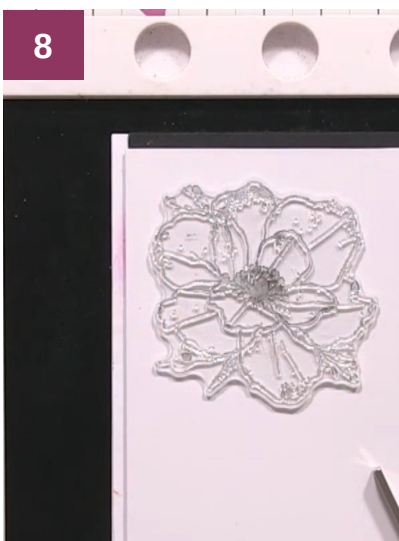

Glue the die-cut leaf pieces randomly onto the second sheet of teal card to create dimension. Position them at varying angles to build up a layered, textured effect.

[BEKIJK DEZE STAP - 25:00](#)

STAP 7 VAN 16

Trim the embossed teal background panel to your desired size using a trimmer, removing any excess card.

[BEKIJK DEZE STAP - 30:00](#)

STAP 8 VAN 16

Stamp the large poppy stamp onto white card stock using a sticky embossing ink pad.

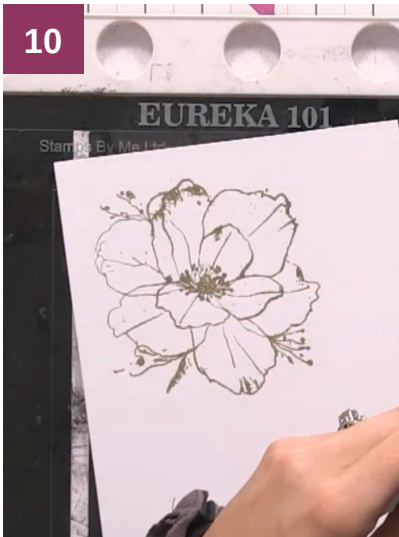

[BEKIJK DEZE STAP - 36:30](#)

STAP 9 VAN 16

Immediately pour gold embossing powder onto the wet stamped image, covering all the inked areas completely. Tap off the excess powder onto your craft mat.

[BEKIJK DEZE STAP - 39:00](#)

10

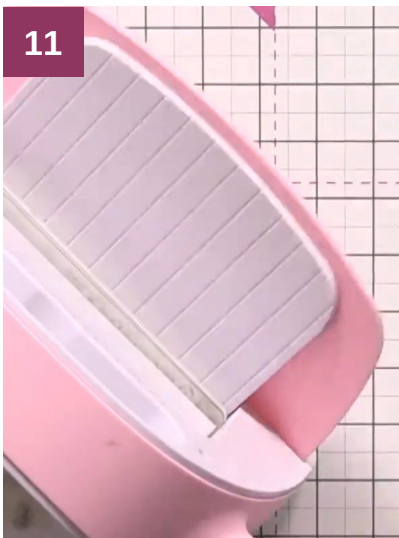

STAP 10 VAN 16

Brush away the excess gold embossing powder with a dry brush. Heat-set the remaining powder with a heat gun until it becomes shiny and fused to the stamped flower image.

[BEKIJK DEZE STAP - 39:45](#)

11

STAP 11 VAN 16

Die-cut the heat-embossed flower using the coordinating poppy die and your die-cutting machine.

[BEKIJK DEZE STAP - 42:00](#)

12

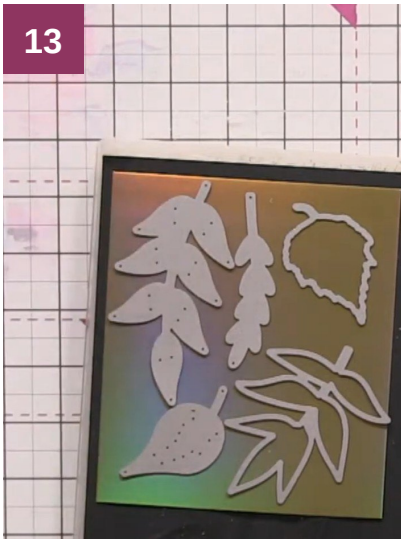

STAP 12 VAN 16

Use a layering stencil and blending brush with teal ink to add colour to the centre of the flower, leaving the outer petals white.

[BEKIJK DEZE STAP - 48:15](#)

13

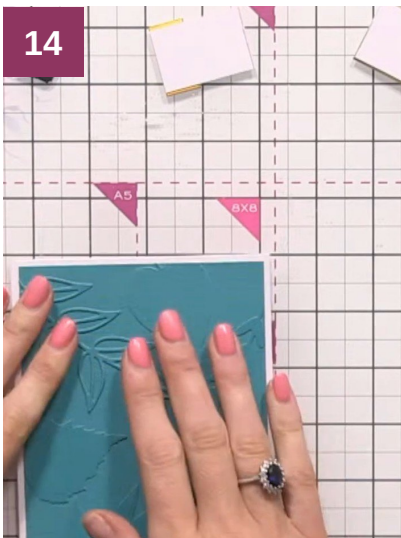

STAP 13 VAN 16

Die-cut additional foliage pieces from gold card stock using the floral dies. These will be used as filler elements for your card design.

[BEKIJK DEZE STAP - 52:30](#)

14

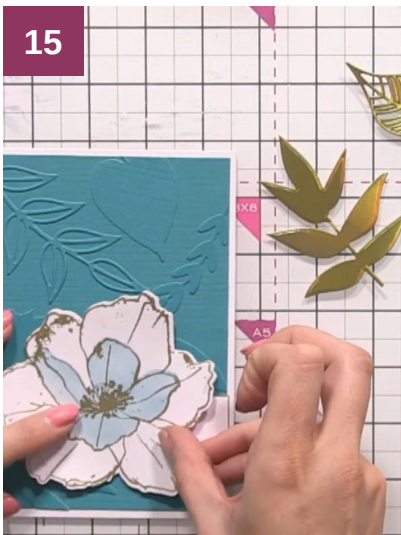

STAP 14 VAN 16

Adhere the embossed teal background panel to a white card base, ensuring it is centred and secure.

[BEKIJK DEZE STAP - 57:00](#)

15

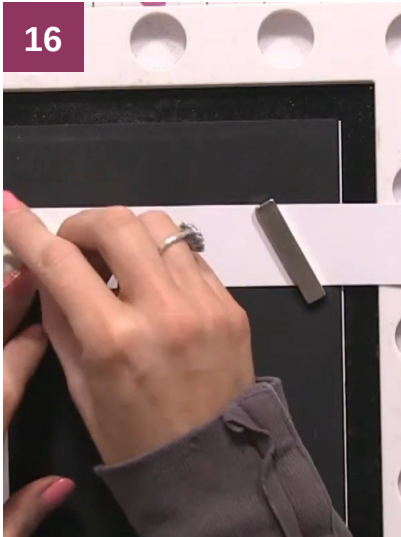

STAP 15 VAN 16

Position the gold heat-embossed flower and foliage pieces onto the teal embossed card front. Arrange them to avoid covering the embossed leaf detail, then glue in place.

[BEKIJK DEZE STAP - 59:45](#)

16

STAP 16 VAN 16

Stamp a sentiment such as 'Many Thanks' onto white card stock using sticky embossing ink.

TIPS UIT DE SHOW

- Always place a soft surface (such as scrap card) underneath your card when die-cutting, as dies need to cut into something forgiving rather than a hard surface.
- Cut multiple die-cut pieces at once when your machine is already out, so you can make several cards without repeatedly setting up.
- If you don't have foam pads in your stash, create them by layering and gluing thin strips of scrap card together.
