STAP 6 VAN 12

Cut decorative paper to cover the spine and centre of your album to hide the tape joins. Use the decorative paper from your bundle to create a neat finish over the taped areas.

STAP 7 VAN 12

Smooth the decorative paper down the centre of the card to ensure it is firmly adhered and creates a neat, finished look.

11

STAP 11 VAN 12

Wrap the belly band around the closed album to hold it together.

12

STAP 12 VAN 12

Glue a decorative topper onto the belly band to finish the album. Position the topper centrally to cover the gap where the belly band meets.

TIPS UIT DE SHOW

- Only add the belly band after you have finished filling the inside, so you can still open the pages fully.
- Use off-cut pieces from trimming your decorative paper to create the belly band and save waste.
- You can cut envelopes diagonally to create triangular pockets for the inside pages.
