

Vintage Lamination Floral Birthday Card

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 25 NOVEMBER 2024

OVER DIT PROJECT

Create this elegant 7x7 inch square birthday card featuring a beautiful vintage floral design with pink blooms and grey-toned leaves. Using the 'Here for You' lamination stamp, you'll achieve a stunning painted watercolour effect with layered elements and distressed edges. The design is finished with a 'Beautiful Birthday' sentiment and mounted on a contrasting dark frame for added dimension.

TIPS UIT DE SHOW

- You can stamp the lamination design onto patterned papers for an ethereal, beautiful effect.
- If you stamp onto watercolour card, the lamination technique looks like you have painted it yourself.
- No colour is needed on the pink background; the design looks beautiful in black ink alone.
