HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming 6x6 album page featuring a single fold-up pocket with a decorative tab closure. This project uses pink striped patterned paper and a marbled accent piece to create a practical storage solution for photos or memorabilia. The main techniques include scoring, folding, and using a decorative punch to create the tab closure.

TIPS UIT DE SHOW

- Removing bulk from hinges prevents your album from becoming too thick.
- Tab punches create an easy-to-grip closure for your pockets.
- You can use offcut card stock for your tab punches to save materials.
