

Pagina met twee pockets: voor en achter

EEN PROJECT UIT ONZE LIVESHOW - MIGHTY MONDAY - 25 NOVEMBER 2024

OVER DIT PROJECT

Create a versatile double-pocket page for your 6x6 album featuring decorative patterned papers in rich florals with blues, pinks and golds. This clever design offers storage pockets on both the front and back surfaces, maximising space for photos, journaling cards and embellishments. The project uses simple folding and adhering techniques to construct a functional hinged page that opens to reveal both pocket areas.

TIPS UIT DE SHOW

- Plan your hinge placement carefully so it does not interfere with your pockets.
- You can tuck hinges underneath pockets if needed, but ensure you have space for them.
- Using offcuts for the back pocket saves paper and creates a cohesive design.
