HET EINDRESULTAAT

OVER DIT PROJECT

Create a charming freestanding easel card featuring adorable woodland animals including bears, hedgehogs, and tigers in soft autumnal tones of peach, brown, and cream. This delightful 3D card uses layered die-cut toppers, decorative leaves, and floral embellishments with a 'Happy Birthday' sentiment. ### TIPS UIT DE SHOW

- Only apply tape to the lower portion of the front panel so the card can stand up properly when opened.
- Make three easel cards at once to save time—do all the scoring, cutting and matting together rather than repeating the process.
- If your cuts aren't perfect, use an ink pad to edge around the cut pieces to hide any imperfections.
