

Woodland Wildlife Stamp and Mask Halo Card

EEN PROJECT UIT ONZE LIVESHOW - HSN OCTOBER PRODUCT PREVIEW - 24 OKTOBER 2024

OVER DIT PROJECT

Create a stunning woodland wildlife card featuring a stamped animal design with a dramatic white halo effect. Using a coordinating stamp, mask and stencil system, you'll make your chosen creature appear to pop from an intricate patterned background in natural kraft tones. The masking technique creates a striking border around your subject, ensuring it stands out beautifully against the busy decorative paper.
