

Watercolour Potion Bottle Lamination Card

EEN PROJECT UIT ONZE LIVESHOW - CELEBRATING 14 YEARS OF STAMPS BY ME - 4 OKTOBER 2024

OVER DIT PROJECT

Create a magical lamination card featuring an enchanting potion bottle with a beautiful watercolour blended background. Using coloured inks and water, you'll achieve a dreamy smokey effect in purple and teal tones, then add a detailed black stamped overlay to reveal the intricate bottle design. This technique combines watercolour blending with precision stamping for a stunning mystical result.

TIPS UIT DE SHOW

- The stamp doesn't need to line up perfectly; slight misalignment still looks effective.
- You can use a white gel pen to bring back detail if the black overlay is too dark.
- A black sparkle glitter glue will catch the light without adding colour.
