

Sprookjesachtige feeënkaart met paddenstoelen

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 23 SEPTEMBER 2024

OVER DIT PROJECT

Create a magical fairy card featuring an enchanting scene with a whimsical mushroom house, delicate fairy with butterfly wings, and charming toadstools. This project uses layered decoupage techniques with vintage-style imagery on a dark decorative background, finished with sparkle accents for added shimmer. The result is a beautiful dimensional card perfect for anyone who loves fantasy and fairy tale themes.

TIPS UIT DE SHOW

- If you don't like the white edge on toppers, trim it away or use a black Sharpie to colour the edge rather than leaving it white.
- Use a blending brush with dark colour to finish the sides of cut toppers so they don't look like they've been roughly cut from card.
- Don't be afraid to use multiple toppers and embellishments from the kit—you have plenty left over beyond the 18 cards.
