

Kaart met handtas en bril met Quattro D

EEN PROJECT UIT ONZE LIVESHOW - HOBBYMAKER TV - 8 AUGUSTUS 2026

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stylish card featuring a designer handbag and sunglasses using the Quattro D four-stage layering system. This elegant design combines stencilling, stamping, die-cutting and embossing to build up dimensional images with professional depth and detail. The finished card showcases fashion accessories in coordinating colours with a sophisticated, boutique-quality finish.

STAP VOOR STAP

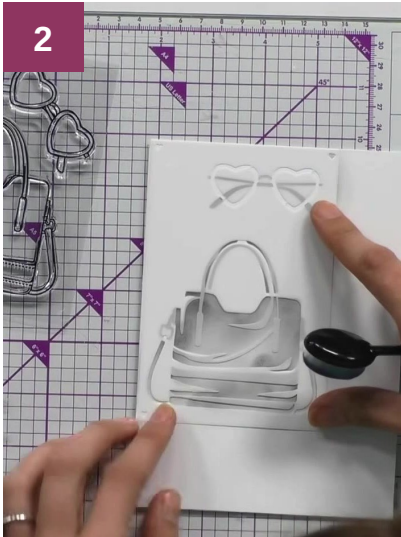

1

STAP 1 VAN 8

Line up the first numbered stencil for the handbag at the edge of your white card blank. Apply black ink through the stencil using a blending tool or sponge.

[BEKIJK DEZE STAP - 46:45](#)

2

STAP 2 VAN 8

Position the second stencil layer showing the bow detail at the top of the handbag. Apply black ink using a blending tool, building up the bag's shape and adding dimension to the design.

[BEKIJK DEZE STAP - 48:00](#)

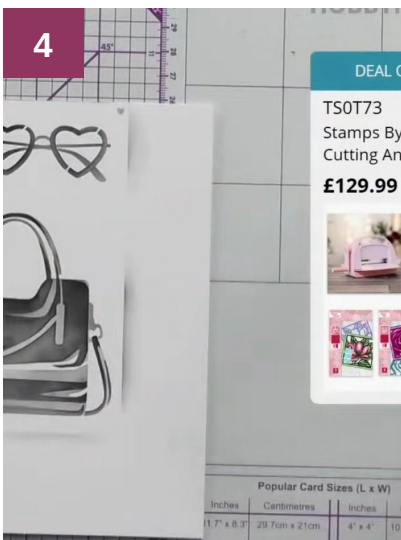

3

STAP 3 VAN 8

Apply the third stencil layer showing the bow detail using black or grey ink to add highlights and create a patent leather effect on the handbag.

[BEKIJK DEZE STAP - 48:30](#)

4

STAP 4 VAN 8

Stamp the glasses outline in black ink onto white cardstock to define the shape and add detail to the design.

[GRATIS KIJKEN OP MY TELLY](#)

STAP 5 VAN 8

If desired, change your ink colour to create rose-tinted or coloured lenses on the heart-shaped glasses. Use the stencil to apply the coloured ink to the lens areas of the glasses on your card.

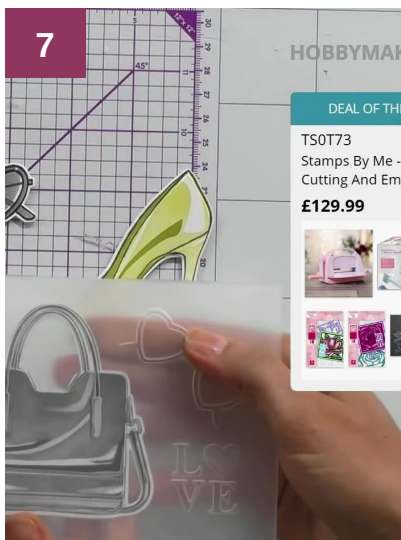

[BEKIJK DEZE STAP - 49:30](#)

STAP 6 VAN 8

Die-cut the handbag and glasses using the die-cutting machine with the correct plate setup. Place your chosen design on the cutting platform and run it through the machine.

[BEKIJK DEZE STAP - 52:45](#)

STAP 7 VAN 8

Place the handbag die cut into the embossing folder, ensuring it is properly aligned. Run the folder with the handbag through your die cutting machine to add stitching detail and create three-dimensional folds on the handbag.

Stel Toni op onze website je vraag over elk project, product of elke techniek uit de show.

8

STAP 8 VAN 8

Emboss the white background cardstock using the embossing folder with words or texture. Layer your coloured handbag piece on top of the embossed background to create dimension.

TIPS UIT DE SHOW

- You can change ink colours between stencil layers to create different effects, such as Valentine's glasses or 70s-style frames
- All Quattro D elements can be used independently—use stencils alone, stamps alone, or combine them as needed
- Emboss background elements separately to create layered depth and make your focal point stand out
