

Embossed Slimline Card with Mirror Board and White Ink Halo

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 27 AUGUSTUS 2024

OVER DIT PROJECT

Create an elegant slimline card featuring beautiful embossed flowers on gold mirror board with a delicate white ink halo effect. The raised 3D embossing creates stunning dimension with floral motifs and a decorative frame, perfect for Christmas cards or any special occasion. This sophisticated design combines mirror cardstock with white ink accents to achieve a luxurious, eye-catching finish.

Uit de show: Create and Craft TV

Getoond: 27 augustus 2024

Het project begint: 20:30 na het begin van de show

In deze handleiding: 7 stappen

STAP VOOR STAP

1

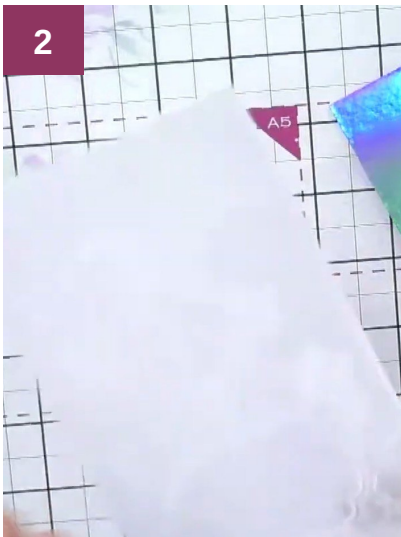

STAP 1 VAN 7

Place your slimline embossing folder into your A5 die-cutting machine, positioning it halfway through the folder so it can be used in either orientation.

[BEKIJK DEZE STAP - 20:30](#)

2

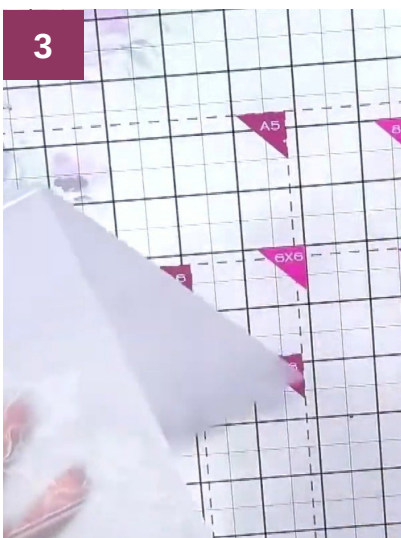

STAP 2 VAN 7

Run the mirror board through the embossing machine to emboss the design halfway. Rotate the board and run it through again to emboss the other half, ensuring the entire design is debossed.

[BEKIJK DEZE STAP - 20:45](#)

3

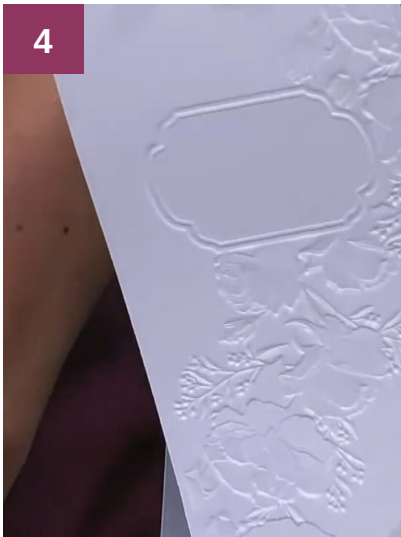

STAP 3 VAN 7

Open the embossing folder to reveal the embossed design on both sides of your white card.

[BEKIJK DEZE STAP - 21:00](#)

4

STAP 4 VAN 7

Apply white ink pad lightly across the embossed frame and flower areas using a tapping motion. Work gently to highlight the raised design without over-inking.

[BEKIJK DEZE STAP - 22:15](#)

5

STAP 5 VAN 7

Use a blending brush to soften and blend the white ink across the embossed design, creating a gentle halo effect around the raised areas.

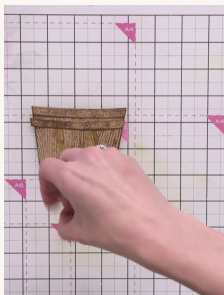

[BEKIJK DEZE STAP - 22:30](#)

6

STAP 6 VAN 7

Use a damp brush to add water to the white ink, creating additional texture and softening the ink effect on your embossed design.

7

STAP 7 VAN 7

Allow the embossed card to dry completely. The white ink will create a soft halo effect around the embossed design, highlighting the raised details on the mirror board.

TIPS UIT DE SHOW

- You can use an A5 die-cutting machine with slimline embossing folders by running them halfway through and rotating them.
- If you add too much white ink, you can push it back or blend it out with a brush.
- The depth and dimension of the embossing folder works beautifully on both the front and back of the card.
