

Wildflower Sunset Fairy Reflection Card

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 29 JULI 2024

OVER DIT PROJECT

Create a magical wildflower sunset card featuring a fairy silhouette stamped in black ink against a scenic mountain landscape. The design showcases a beautiful paint-by-numbers style background with rolling green meadows, purple mountains, and fluffy clouds, with the fairy figure standing amongst wildflowers in the foreground. Use layering techniques and white gel pen highlights to add dimension and sparkle to this enchanting handmade card.

TIPS UIT DE SHOW

- When stamping, condition a new stamp by stamping it several times before your final image to ensure full ink coverage.
- Glitter glue dries back lighter than it appears when wet, so apply with confidence.
- You can use the mask system to add a white halo around the focal point to make it pop forward from the background.
