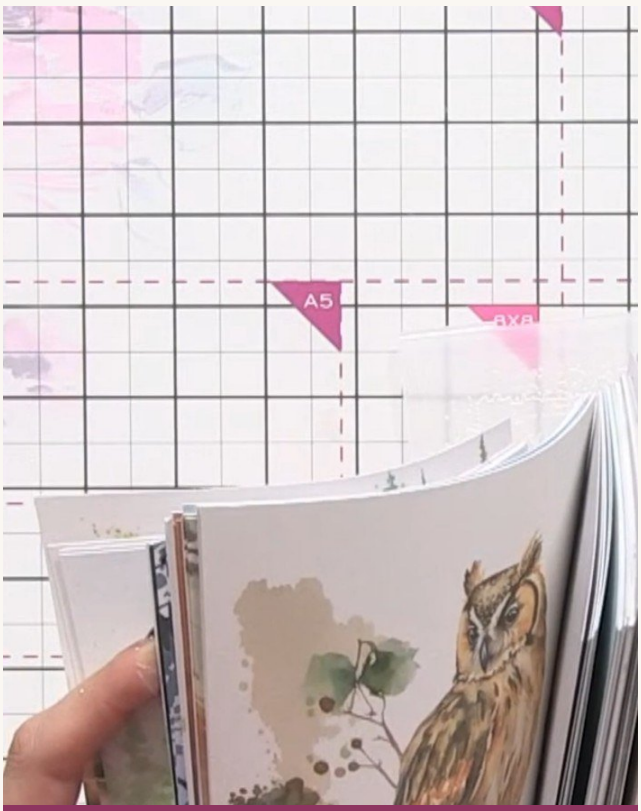
Snowflake Frame Card with Patterned Paper and White Emboss

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 1 JULI 2024



HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant framed card featuring a charming raccoon image surrounded by an embossed snowflake border. This project uses patterned paper with the Snowflake Frame embossing folder to create a beautiful dimensional frame effect in soft greens and blues. The embossed frame acts as a sophisticated border, giving your handmade card a professional, shop-bought appearance.

- The frame design is versatile and works for any occasion, not just Christmas.
- A white ink pad is essential for bringing embossed details to life on coloured or patterned backgrounds.
