White Embossed Poinsettia Card with Watercolour Accents

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 21 JUNI 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning white embossed card featuring a delicate poinsettia design from the Winter Forest collection. This elegant card combines the crisp texture of embossing with subtle watercolour accents in pink and coral tones to add depth and dimension. The technique uses white ink dusting on craft card stock to create a sophisticated, dimensional finish perfect for winter celebrations.

STAP VOOR STAP

STAP 1 VAN 7

Place your white craft card into the Winter Forest embossing folder. Run the folder with the card through your die-cutting machine to create the embossed texture.

TIPS UIT DE SHOW

- You cannot hurt the embossing folder, so feel free to experiment with different techniques.
- The white ink underneath allows you to blend colours smoothly over the top.
- You can add colour selectively to different elements without colouring the entire design.
