OVER DIT PROJECT

Create a beautiful decorative box using a 12 by 12 inch patterned paper and the envelope punch board scoring system. TIPS UIT DE SHOW

- You do not need glue, scissors or tape for the box itself; the hook and eye system holds it together.
- Use a burnishing tool to create crisp, clean folds for a professional finish.
- This is perfect for using up your stash of 12 by 12 papers that you have been collecting.
