STAP VOOR STAP

1

STAP 1 VAN 11

Select your first 12x12 inch patterned paper sheet. This will be used to create the lid of your nested box.

2

STAP 2 VAN 11

Place the lid paper on the scoreboard and score at the marked lines. Follow the same scoring process as used for the cube box, ensuring all score lines are crisp and even.

3

STAP 3 VAN 11

Using your ruler and trimmer, cut out two small squares from opposite sides of the decorative paper as marked on the scoreboard instructions. These cutouts will allow the box pieces to nest together properly.

STAP 4 VAN 11

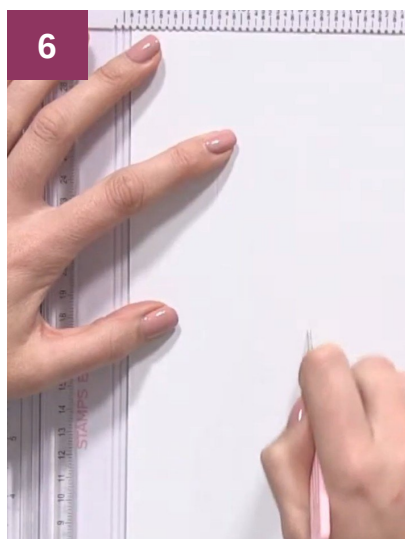

Take your second 12x12 inch sheet for the base box. Using a guillotine or trimmer, carefully trim 2.5mm off two adjacent sides of the paper.

5

STAP 5 VAN 11

Place the trimmed base paper on the scoreboard. Using the measurements marked on the scoreboard, score lines across the patterned paper where indicated.

6

STAP 6 VAN 11

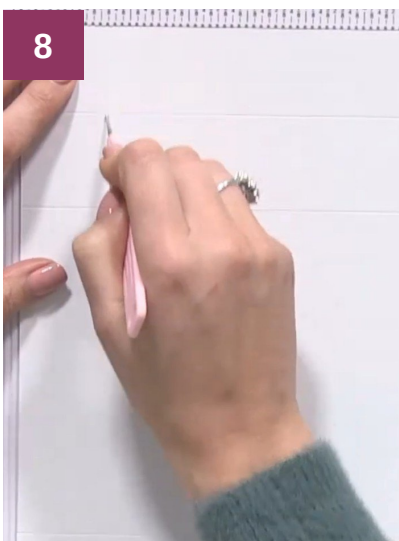

Using your pen, mark a small square in the same position on the base paper as you did on the lid. Score along these marks to create a matching square on the base.

[BEKIJK DEZE STAP - 55:00](#)

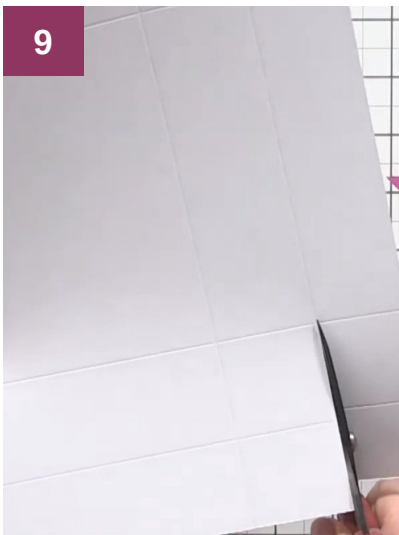

STAP 7 VAN 11

Score all the remaining score lines on both the lid and base papers using your scoring tool and ruler. Work carefully to ensure neat, crisp fold lines.

[BEKIJK DEZE STAP - 55:30](#)

STAP 8 VAN 11

Cut into the marked squares on both pieces, being careful to cut only to the second line. Use a ruler to guide your cuts and ensure they are straight and accurate.

[BEKIJK DEZE STAP - 56:00](#)

STAP 9 VAN 11

Fold the sides of the lid box inward along the score lines. Tuck the flaps underneath to create the lid shape, ensuring all sides are neatly folded and secured.

10

STAP 10 VAN 11

Fold the sides of the base box inward and tuck the flaps underneath to create the base shape. Hold the card firmly whilst folding to ensure neat, crisp edges.

[BEKIJK DEZE STAP - 57:00](#)

11

STAP 11 VAN 11

Test that the base box fits snugly inside the lid box for a perfect nested fit. The smaller box should slide smoothly into the larger one.

TIPS UIT DE SHOW

- Mark your scoreboard with a pen at the score line positions if your eyesight is not perfect, to avoid confusion.
- Trim only 2.5mm off two sides of the base paper - not all four sides - so it fits inside the lid.
- A good burnish on the folds will help the boxes stay together without glue due to the heavy weight of the paper.
