Veelkleurige kaart met laminatie-jurk

EEN PROJECT UIT ONZE LIVESHOW - HSN SHOW APRIL 15TH - 10 APRIL 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create a stunning handmade card featuring an elegant gown in beautiful purple and pink tones. This project uses the innovative two-part lamination stamp system to achieve a hand-painted watercolour effect without any colouring skills required. Simply ink the first stamp with multiple colours, spray with water, then layer the detailed second stamp on top to create gorgeous depth and dimension.

TIPS UIT DE SHOW

- Make three cards at once to avoid repeatedly putting away and getting out your inks and supplies.
- The second stamp does not need to match up perfectly—the design is forgiving and free-flowing.
- Use any water-based inks you have in your stash, including distress inks, for the first coloured layer.
