

Reflection Collection Tomorrow Card with Painted Background

EEN PROJECT UIT ONZE LIVESHOW - THE BRAND NEW LAUNCH - 23 JULI 2026

OVER DIT PROJECT

Create a romantic scene card featuring elegant swans on water with beautiful reflections and foliage. This project uses watercolour painting to create a soft blue background, then layers stamps from the Tomorrow reflection collection to build depth and atmosphere. The built-in reflection effect in the stamps creates a realistic water scene without extra work, framed with dark reeds and foliage for a striking finished piece.

STAP 1 VAN 10

Place your A5 watercolour card stock on your craft mat. Using a flat brush, apply blue ink across the card to create the background for your scene.

STAP 2 VAN 10

Spray the inked card with water and blend the blue ink using horizontal brush strokes, working from light at the top to darker at the bottom. If white spaces appear, leave them to add interest to the background.

STAP 3 VAN 10

Use a heat tool to dry the painted background completely. Move the heat tool over the entire surface until the paint is fully dry.

STAP 6 VAN 10

Stamp the foliage silhouette in black ink on the left side of the card to frame the swans. Position the stamp to create a natural border alongside the water scene.

STAP 7 VAN 10

Stamp additional foliage in green ink on the right side of the water area, moving the stamp slightly between impressions to create texture and layering.

STAP 8 VAN 10

Use the orange ink pad to add colour to the swans' beaks. Add a hint of orange to the reflection below each beak.

STAP 9 VAN 10

Using a white ink pad, layer white ink over the swans to bring them forward and create contrast against the blue background. This adds depth and makes the swans stand out.

TIPS UIT DE SHOW

- You can use normal card stock for this technique, but watercolour card stock gives a smoother blend.
- The packet provides a reference image to guide you on stamp placement and layering.
- Use clean water and a clean brush to lift colour out if you make a mistake, creating highlights in the water.
