

## Kaart met aquarelbubbels en weerspiegeling

EEN PROJECT UIT ONZE LIVESHOW - CRAFT BATTLE - 28 MAART 2024

### OVER DIT PROJECT

Make a charming watercolour card featuring delicate bubbles with white highlights and reflections. The design uses soft pink and purple tones applied through stencilling to create a light, celebratory feel. Simple watercolour techniques build up the bubble shapes with dimensional highlights for a professional finish.

### TIPS UIT DE SHOW

- Adding white highlights to watercoloured bubbles gives them more dimension and makes them pop.
- The stencil has a neat flush edge with no exterior border, creating a clean finish without the decoupage look.
