Aquarelkaart met bootje en lamination stamps

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 25 MAART 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create a beautiful watercolour-effect card featuring a sailing boat silhouette with an inspirational quote. Using a two-part lamination stamp system, you'll achieve stunning blended colours in coral, pink and orange tones with detailed line work, all without needing any painting skills. The finished card has a clean, artistic look with the quote 'A Winner is a Dreamer Who Never Gave Up' beneath the boat image.

STAP 3 VAN 10

Press the wet stamp firmly onto white card stock and hold it in place to allow the colours to blend and bleed together on the surface.

STAP 4 VAN 10

Lift the stamp away from the card stock and allow the watercolour ink to absorb naturally. Alternatively, use a heat gun to dry the ink more quickly if preferred.

Clean the stamp thoroughly using a damp microfibre cloth, ensuring all pink and orange ink is completely removed from the surface and crevices of the stamp.

Ink up the boat outline detail stamp with black ink, ensuring full coverage across the entire stamp surface.

TIPS UIT DE SHOW

- If you prefer softer edges on your watercolour effect, spray the card after stamping to allow the colours to disperse further.
- You can move the wet stamp around the card to create different texture effects before pressing down.
- Lamination stamps work on regular card stock; you do not need watercolour card stock.
