

Watercolour Painted Flower Card from Hot Foiled Book

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 19 MAART 2024

OVER DIT PROJECT

Create a beautiful watercolour flower card using pre-printed hot foiled card stock. The design features delicate floral illustrations with gold foil details, which you'll bring to life by adding soft pink and coral watercolour washes. This simple technique allows you to achieve stunning, professional-looking results with minimal effort.

**STAP 4 VAN 8**

Using a paintbrush, apply the pink ink to the flower petals on the hot foiled watercolour card. Allow the colour to sit naturally on the watercolour surface, building up the pink tones on the petals.

TIPS UIT DE SHOW

- Use water-based ink pads from your existing stash rather than buying new watercolour paints.
- You don't have to stay within the lines—let the colour bleed out for a contemporary feel.
- The gold foil details will resist the water and ink, creating natural highlights.
