EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 29 DECEMBER 2025

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant card featuring a stamped lady figure adorned with a beautiful three-dimensional floral dress. The design combines delicate line work with soft watercolour tones in pink and purple, enhanced with sparkly embellishments and layered petals for a sophisticated, artistic finish. This project uses stamping, watercolouring, and dimensional flower layering techniques to achieve a refined and feminine result.

STAP 3 VAN 12

Apply teal and purple ink pads to the dress area of the stamped lady using a sponging or blending technique. Build up the colour gradually to create a watercolour effect on the dress.

STAP 4 VAN 12

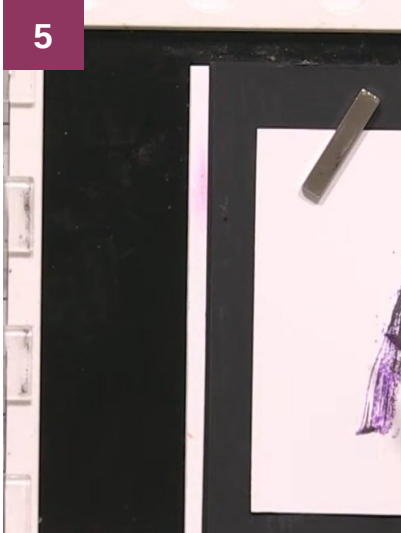

Lightly spray the inked dress area with water to blend and soften the colour transitions between the black and white ink.

STAP 5 VAN 12

Add purple ink speckles around the dress area using a brush to create an artistic splatter effect. Allow the speckles to extend beyond the dress outline for a creative, artistic look.

STAP 7 VAN 12

Die-cut the small floral flower pieces from coloured cardstock using the hellebore die set. Ensure all the petals and centres are cut cleanly and separate the individual pieces.

[BEKIJK DEZE STAP - 1:11:00](#)

STAP 8 VAN 12

Layer and glue the flower petals together to create a three-dimensional effect. Build up the layers to add dimension to your floral embellishment.

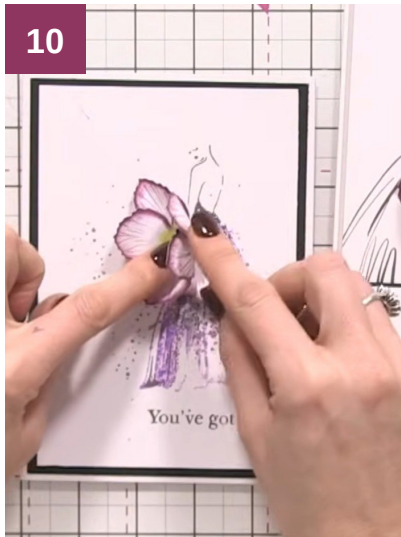

[BEKIJK DEZE STAP - 1:13:00](#)

STAP 9 VAN 12

Attach a pink gem to the centre of the white and pink flower for added sparkle and focal interest.

[BEKIJK DEZE STAP - 1:13:30](#)

10

STAP 10 VAN 12

Position the completed purple flower onto the card front, placing it so it appears to be held by or emerging from the stamped lady figure. Fold the flower slightly to add dimension, then glue it securely in place.

[BEKIJK DEZE STAP - 1:18:30](#)

STAP 11 VAN 12

Add small foliage sprigs around the flower arrangement to create a natural, flowing composition. Position the greenery to complement the hellebore and complete the floral design on the dress.

STAP 12 VAN 12

Add sparkle to the dress area by applying glitter or sparkly embellishments to enhance the floaty, ethereal quality of the design.

TIPS UIT DE SHOW

- If you don't have centres for the flower, use a sparkly gem as an alternative focal point.
- Lamination stamps are very forgiving with alignment, so don't worry if the dress colour doesn't line up perfectly.
- To save time and reduce mess, cut multiple flower pieces and stamp multiple dress outlines in one session, then assemble them all together later.
