

Reflection Collection familieverhaal-kaart

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 11 MAART 2024

OVER DIT PROJECT

Create a heartwarming family story card featuring reflection stamps that show a scene mirrored in water. Stamp your chosen image onto decorative patterned paper, add a meaningful sentiment, and enhance the water reflection area with colourless glitter for a subtle shimmer effect. The clever stamp design includes the reflection, making this an easy yet impressive card perfect for celebrating family memories.

TIPS UIT DE SHOW

- The reflection is built into the stamp design, so you don't need to create it yourself.
- You can stamp the image partially off the page to create a sense of movement.
- Colourless glitter catches light like ripples on water without clashing with your colour scheme.
