Reflection Collection Rain Scene Slim Card

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 11 MAART 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Create an elegant slim-line card featuring a charming dancing in the rain scene. This project uses patterned paper as the backdrop for stamped running figures with umbrellas, enhanced with white gel pen highlights and finished with a sentiment. The design demonstrates how stamps and coordinating papers can be adapted to different card formats for a cohesive, stylish result.

TIPS UIT DE SHOW

- The base of the reflection stamp design is shorter and has a jaded effect, so align this at the bottom for correct orientation.
- You don't have to use the papers if you prefer to create your own backgrounds with ink blending.
- Stamping partially off the page creates a sense of movement and story.
