Tweekleurige silhouetkaart met witte inkt

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 22 FEBRUARI 2024

HET EINDRESULTAAT

OVER DIT PROJECT

Make a beautiful silhouette card with a dramatic aurora sky scene using the Reflection Collection papers and white ink stamping. The finished piece features figures against a vibrant rainbow gradient background with water reflections, mounted on a black card base. This project shows how using white ink instead of black creates a striking reversed silhouette effect that transforms the same stamps and papers into something completely different.

TIPS UIT DE SHOW

- White ink creates a completely different aesthetic from black ink on the same papers.
- If you stamp in white and change your mind, you can stamp over it in black to create a white shadow effect.
