

Watercolour-Effect Lamination Stamp Card with Tulips

EEN PROJECT UIT ONZE LIVESHOW - MY PODCAST - 19 FEBRUARI 2024

OVER DIT PROJECT

Make stunning greeting cards with a beautiful watercolour effect using a clever lamination stamp technique. These elegant designs feature delicate tulips and floral-adorned portraits in soft pinks, purples and greens with gold accents. The two-part stamping system creates an authentic painted look without any brushwork - the solid stamp holds ink and spray, while the outline stamp adds crisp definition.

Apply green and teal inks to different areas of the stamp to create depth and variation in the foliage.

[BEKIJK DEZE STAP - 19:00](#)

5

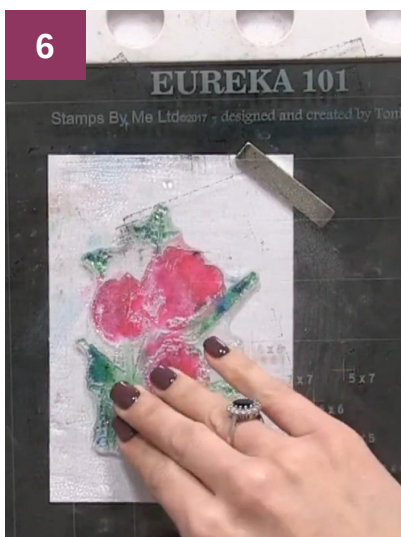

STAP 5 VAN 11

Spray the inked stamp directly with water, allowing the pink, green and blue colours to bleed and blend together on the stamp surface.

6

STAP 6 VAN 11

Press the stamped image firmly onto your white card blank to transfer the watercolour effect. Ensure even pressure across the entire floral design to achieve a complete transfer of the pink tulips and green foliage.

7

STAP 7 VAN 11

Allow the stamped card to dry completely before proceeding. The watercolour effect from the lamination stamping needs time to set properly.

[BEKIJK DEZE STAP - 20:30](#)

8

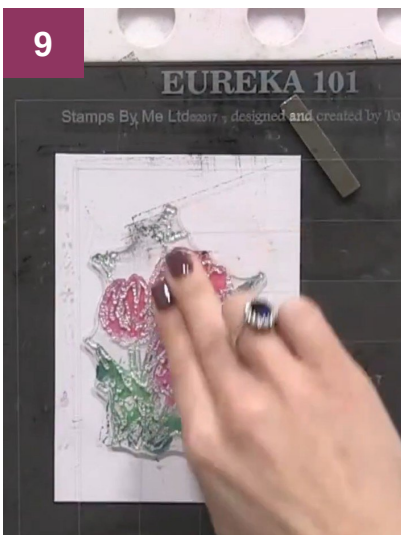

STAP 8 VAN 11

Clean the stamp thoroughly to remove all ink. Ensure the lamination carrier sheet is completely dry before proceeding to the next step.

9

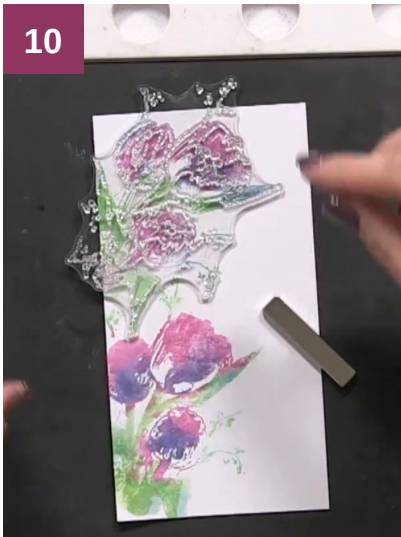

STAP 9 VAN 11

Line up the outline stamp over the dried watercolour image, using the registration marks on your stamping platform as a guide to ensure accurate placement.

10

STAP 10 VAN 11

Ink the outline stamp in black and press it onto the card to define the floral design. Ensure the stamp aligns with the watercolour background.

11

STAP 11 VAN 11

Add a sentiment stamp such as 'Wake up and be awesome' to complete your card. Position it in the lower portion of the card front to finish the design.

TIPS UIT DE SHOW

- Do not attempt to line up the outline stamp perfectly; the designs are forgiving and the slight misalignment adds to the artistic, hand-drawn quality.
- Using two shades of the same colour, such as green and teal, creates a more convincing watercolour effect.
- The outline stamp does not need to align precisely with the coloured portion to look effective.
